**A SENIOR SECONDARY SCHOOL OF
SCIENCE, ARTS AND COMMERCE**
MEDIUM OF TEACHING: ENGLISH AND ASSAMESE

About the College

In March 2004, Jorhat woke up to a new dawn. They saw their then very popular leader in coaching - Guidance, launching a Senior Secondary School of Science, Arts and Commerce titled as Abhigyan Academy. As the name denotes, it is a journey towards the eternity of wisdom and enlightenment.

The college has been ceaselessly striving to holistic education based on conceptual learning and thereby bring forth the best amongst the students. Even before the onset of New Education Policy 2020, Abhigyan was providing interest based programmes to the students that included vocational learning, creative exercise, experiential learning, value system, competitive career orientation etc.

Demand of the Modern Education System

Observing the global trends in education, Abhigyan Academy has decided to change the way we learn and teach. We feel, it's time to take education beyond classroom, beyond marksheet and beyond the given curriculum. Our effort, therefore, is to help students realize their true potentials, enlighten their mind and heart and make them **smart, sensitive and successful**. This objective is sought to be realised through a planned and strategic methodology.

“Abhigyan Uttaran”

Every student, we believe, needs to be exposed to the various issues, opportunities and challenges pertaining to life and society at large. Through Abhigyan Uttaran, students will get the opportunity to observe, interact and to get involved in prevailing Economic, Social, Political and Cultural issues of India in general and of Assam in particular. Their on-ground learning like how to handle humanitarian crisis, develop entrepreneurship, provide justice, promote tourism, will help them discover their interest and further cultivate the interest. In the long run, it will pave the way for a brighter future for the students and for the society as well.

“Abhigyan Employments”

Time to time, workshop and counseling session are organised to help students explore the vast employment opportunities of the country. Experts from Banking, Judicial services, Media, NGO, Railway and other Govt. Dept., PSU and Corporate sector are invited to interact with the students and provide them tips and tactics so that they are substantially benefitted in finding the career of their choice.

“Abhigyan Wise Trip”

Every year, students of Abhigyan Academy go to a place of interest (Kaziranga, Majuli, Suwalkuchi, Sivasagar, Digboi and the likes.), stay there for 2-3 days, observe and understand the people and place, realise the problems people face there, know the advantage and disadvantage of staying there and prepare a report on the trip. Their experience would then be utilised for future reference in their life and for a sustainable growth of the place as well.

Our Mentor, Our Guide

My friend Dipak Ch. Borah and his colleagues have been engaged for quite some time now in leading two educational institutions namesly Abhigyan Academy and Bidya Sarathi Jatiyo Vidyalaya. Conquering constrains they have stood high to their objective. With the introduction of new Educational Policy 2020, I'm also joining them in the academics. I believe, together we can shape up better human being...

Dr. Kishori Mohan Konwar
(Professor, Harvard University)

Transfer from the academy

No transfer certificate will be issued until all the dues of the Academy are cleared. A fee of Rs. 200/- will be charged whenever an application for the transfer certificate is made.

Our Special Care

- # NEET/JEE integrated rigorous coaching

Psychological Assessment, Counseling and Training (PACT) Initiative of Abhigyan Academy

Today's students are exposed to varied areas of Career. However, mismatch of skill set and interest can lead to serious turmoil. Therefore we organise Interest, capability and SWOT (Strength, Weakness, Opportunity and Threat) assessment of students using proven psychometric methodology by domain expert. This will help them find their right choice for a bright future.

Together we shall rise and shine!

Getting expert's opinion and exposure

A few words and ideas of wisdom for the next generation

*Abhigyan Academy-
buzzing place
for the budding minds!*

Inauguration of book "Nijok Jonar aru Aagbarhi Jowar Kisu Kausal"

Rooted and progressive...Yes we are!

Competing and celebrating the spirit of youthful vigor...

Time to celebrate ...

Searching and rewarding the excellence..

Uniform

All students have to attend College in 'UNIFORM' as given below-

Boys: White Shirt with navy style assortment and Royal Blue Trousers with Royal Blue neck tie with White Stripes, Royal Blue Blazer (for winter). Black formal shoe and white socks, navy blue belt with college emblem.

Girls: White shirt and Royal Blue Skirt with Royal Blue neck tie with White Stripes. Royal Blue Blazer (for winter). Black formal shoe with white socks and navy blue belt with college emblem.

Special Uniform: White polo T-Shirt with College logo in front and back.

Computer Lab

It offers courses that enable the students to use the full potential of the PC and the Internet which are most essential these days. It also offers other professional courses which students can pursue with their college curriculum. Special short-term courses and seminars are also arranged during the vacations to keep students up-to-date with the latest trend in that field.

General Rules And Regulations

* Students are subjected to the rules and regulations of the College and they are expected to maintain a high standard of discipline. Violation of rules, unsatisfactory progress, irregular attendance, irregular clearance of college due, showing discourtesy to the teachers and staff members in any form, adopting of unfair means during examination, etc. are some of the offences which may make students liable for disciplinary actions like termination of scholarship, non-awards of college diploma, forced transfer and even expulsion from the College.

* It is the duty of students to keep the College campus and class rooms clean. Any damage and disfiguring of college property is taken serious notice of.

* A student must attend unit, terminal and annual tests or examinations in each subject in order to appear in the final examination.

* **Terminal Exam:** In 3 months Interval, Terminal Exam will be conducted in the College. Those students not appeared in the Exam without proper reasons have to pay Rs.100/- for each subject.

* **Unit Test:** Every Saturday there will be unit test for two subjects. Those students not appearing without proper reasons have to pay Rs. 50/- for each subjects

Attendance

Examination Centre

* To be eligible to appear in the Final Examinations as a regular candidate, a student must attend 80% of the lectures delivered during the Academic Session.

* A student who attends at least 70% of the lectures delivered shall, however, be allowed to appear in the Final Examinations as a non-collegiate candidate on payment of prescribed fee.

* No candidates shall be allowed to appear in the Final Examinations if his/her attendance is below 60% in theory classes.

The examination centre for the students of Abhigyan Academy will be DCB Girls' College, Jorhat.

#Affiliated Practical Exam Centre : Abhigyan Academy

IT'S TIME TO THINK NEW, DO THE NEW
AND GROW TOGETHER...

Since the year 2000, guidance education society has been working ceaselessly towards the educational upliftment of the new generation. To meet the demand of the emerging world and the New Education Policy 2020, a holistic education system has been put on place. Emphasis is therefore given on equal expertise in Assamese and English, Vocational Education, Life Skill, exposure to competitive careers and so on. We are also involving psychometric experts to discover interest and aptitude amongst the students for their future prospects. We know, we still have to go many miles, but we are optimistic that we will do good in growing together...
